MEMORANDUM NO. 2010-156

TO: School District Superintendents
Curriculum Directors

FROM: Erin Buchanan, Language Arts Content Specialist
Standards and Assessment Division

DATE: September 10, 2010

SUBJECT: Language Arts Content Committee Meeting

INFORMATION TO SHARE

Recently, the Wyoming State Board of Education voted to adopt the Common Core State Standards (CCSS) to be included in the next revision of the Wyoming Content and Performance Standards in Language Arts. As indicated in the motion, the CCSS will be included, in their entirety, in the Wyoming Content and Performance Standards, but additional benchmarks may be added. The Language Arts Standards Revision Committee has scheduled a meeting to discuss the possibility of adding additional standards to the CCSS in language arts for the following time and place:

**8:00 AM – 5:00 PM, September 19, 2010, in the Natrona County School District
Meeting Facility, 1038 North Foster Road, Casper, WY**

All standards review meetings are open for public attendance. Participation in the committee work is limited to committee members. Public input on the draft revisions of the standards will be collected electronically once the draft documents are released this fall.

Wyoming statute § 21-2-304 (c) requires that “. . . not less than once every five (5) years, the board shall evaluate and review the uniformity and quality of the . . . student content and performance standards.” The standards are used by schools to define what students should know and be able to do in each of the nine content areas: career/vocational education, fine and performing arts, foreign language, health, language arts, mathematics, physical education, science, and social studies. For each content area a working committee composed of school district staff, parents, business leaders, civic leaders and University of Wyoming and Wyoming Community College representatives will evaluate and review the standards. Upon completion of the review process, these committees will develop recommendations for the State Board of Education to consider.
